The Honorable Kay Granger  
Chairwoman  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Smith Pump Station Upgrade Project in the fiscal year 2024. The intended recipient is Serrano Water District located at 18021 Lincoln Street, Villa Park, California 92861. The project would be a valuable use of taxpayer funds because it will upgrade and seismically retrofit the drinking water facility as well as install upgraded booster pumps. The upgrades envisioned with this project will result in increasing local water supply reliability and enhancing public safety.

There is a clear federal nexus with this funding request as the Smith Pump Station Project is eligible for consideration under the Drinking Water State Revolving Loan Fund (DWSRF) program which was authorized by the Safe Drinking Water Act (Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'YK', written over a light blue horizontal line.

Young Kim  
Member of Congress
