The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Care Traffic Control Project in fiscal year 2023.

The entity to receive funding for this project is the Orange County Health Authority dba CalOptima, located at 505 City Parkway West, Orange, CA 92868.

The funding would be used to establish a single coordinated data system to digitally manage the health of Orange County's Medi-Cal beneficiaries across the continuum of care. Health care workers, social service providers and law enforcement would be able to access patient history, facilitate real-time navigation to resources, and record information to support predictive modeling that will anticipate future needs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Young Kim
Member of Congress
