

Dear Friend,

Thank you for subscribing to my e-newsletter, where you will get the latest updates on my work for you in Congress. My team and I are here to serve the 39th District of California and look forward to working for you.

Please don't hesitate to [reach out](#) to my office with any questions or concerns. In addition to my e-newsletter, you can receive real-time updates by following me on Facebook, Twitter and Instagram at [@RepYoungKim](#).

## COVID-19

I am committed to helping California's 39th District get through the COVID-19 pandemic better than before. As we work to safely reopen communities and get people back to work, I will do all that I can to make sure my constituents receive the relief you deserve.

Vaccines are currently available for CA-39 residents ages 65+.

- Click [HERE](#) to make an appointment in San Bernardino County.
- Click [HERE](#) to learn more about our state's vaccination plan.

Find a full list of COVID-19 resources [HERE](#).

## Casework

Need help with a federal agency, like Small Business or the VA? My team and I are here to help. Submit a casework request [HERE](#) and find our privacy release form for casework [HERE](#).

## Committee Assignments

I'm excited to announce that this Congress I'll be serving on three committees: the [House Foreign Affairs Committee](#), the [House Small Business Committee](#), and the [House Science, Space and Technology Committee](#). These committee assignments will allow California's 39th District to have a voice on several important policy issues. I also joined the bipartisan [Problem Solvers Caucus](#) and look forward to getting to work and delivering bipartisan results for my constituents.

## Visiting Orange County Super POD Vaccination Site

I visited the Disneyland Super POD vaccination site yesterday before the rain! Our health care workers, first responders & volunteers are working hard to get all eligible people COVID-19 vaccines in Orange County. I'll continue to work to expand vaccine access in our community.

Vaccines are currently available for Los Angeles, Orange, and San Bernardino county residents ages 65+. Visit my website for more information [HERE](#).

## Helping our Small Businesses

Our small businesses continue to face challenges during COVID-19. I visited Eureka Pizza in Yorba Linda to learn more about their experience. I look forward to fighting for our CA-39 small businesses on the House Small Business Committee & making sure they get the relief they deserve. If you're a small business in need of help, I encourage you to [contact](#) my office. We are here to help you.

## Supporting our Dockworkers

I wrote a letter to Governor Gavin Newsom, state health officials and the Los Angeles County Board of Supervisors

The San Pedro Port Complex makes up a quarter of our nation's total exports, 40% of containerized imports and processes \$2 billion in goods each day. Slowdowns due to COVID-19 infections have already caused a bottleneck of dozens of ships filled with goods and supplies waiting to be unloaded. Further delays and terminal shutdowns will have a negative impact on our already fragile economy.

My team and I are here to serve you. As always, please do not hesitate to reach out to my office with any questions or concerns. I encourage you to follow me on social media on Facebook, Twitter and Instagram at [@RepYoungKim](#).

Sincerely,

Young Kim
