Whereas Girl Scouts' commitment to getting girls outdoors, including exciting summer camp experiences, instills a lifelong appreciation for nature and the environment, and is more critical than ever as the Nation emerges from the pandemic;

Whereas at a time when civics education is missing from many schools, Girl Scouts engages girls of all grade levels in civics programming that deepens their understanding

of democracy and government, prepares them for a lifetime of civic engagement, and motivates them to take action on issues that are important to them;

Whereas Girl Scouts offers girls 21st century programming in science, technology, engineering, and math (STEM), the outdoors, entrepreneurship, and beyond, helping girls develop invaluable life skills;

Whereas Gold Award Girl Scouts take on projects that have a measurable and sustainable impact on a community by assessing a need, designing a solution, completing a project, and inspiring others to sustain it; and
