The Honorable Kay Granger
Chairwoman
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Public Safety Enhancement Program Project in fiscal year 2024. The entity to receive funding for this project is the City of Orange, located at 300 E Chapman Ave., Orange, CA, 92866.

The funding would be used to implement public safety technologies to better investigate, respond to, and prevent crime through the City of Orange and the region. The project is an appropriate use of taxpayer funds because it directly benefits the community by allowing law enforcement to more effectively serve and protect its residents while quickly responding to public safety threats for all residents. The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

YOUNG KIM
Member of Congress
