The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the State Route 91 Eastbound Corridor Operations Project in the fiscal year 2025. The entity to receive funding for this project is the Riverside County Transportation Commission, located at 4080 Lemon Street, 3rd Floor, Riverside, CA 92501.

The funding would benefit the public by adding a new eastbound lane to improve traffic operations along the State Route 241 Toll Road connector to State Route 71 in Corona. As the region's population continues to surge, so does the utilization of our local freeways, which will further contribute to increased traffic. Greater investments in regional transportation infrastructure are needed to meet the mobility needs of passengers for both today and in the future. The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b). The project is located on State Route 91, part of the National Highway System. In 2012, it received National Environmental Policy Act approval and is currently undergoing revalidation.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Y Kim', written over a horizontal line.
