The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Tustin's Security Improvement Project in fiscal year 2025. The entity to receive funding for this project is the City of Tustin, located at 300 Centennial Way, Tustin, CA 92780.

The City of Tustin is lacking proper security technology at various locations throughout the City, including the historic South Hangar, parks, youth centers, and gyms. In order to mitigate criminal activity, the City of Tustin is requesting federal funding to purchase new security cameras. Funding will support the purchase, implementation, and installation of this new technology and will greatly enhance the safety and security of Tustin residents. In 2023, the North Hangar in the City of Tustin burned down. Installing security cameras at various places of interest, including the South Hangar, would provide law enforcement with additional tools to prevent another disaster. This project aligns with the purposes of section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)) by providing funding to enhance public safety. Supporting law enforcement through the purchase and installation of tools such as cameras and technology supports the federal government's public safety missions and initiatives.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Y Kim', written over a horizontal line.
