The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Oso Creek Trail Accessibility Improvement Project in the fiscal year 2026. The entity to receive funding for this project is the City of Mission Viejo located at 200 Civic Center, Mission Viejo CA 92501.

This project would be the construction of a parking facility that will improve a public facility – a publicly accessible trail network that has regional trail connectivity as well as access to community spaces and residential areas. This project will help provide access to natural resources and open spaces as well as increase access to the recreational opportunities that are available in the City of Mission Viejo and in CA-40. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Young Kim
Member of Congress
