The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Mission Viejo Fire Station #9 Renovation Project in the fiscal year 2026. The entity to receive funding for this project is the Orange County Fire Authority located at 1 Fire Authority Road, Irvine CA 92602.

This project supports comprehensive remodeling of Fire Station 9, constructed in 1974. An assessment of the station's condition prepared by an independent real estate services consulting firm in 2022 determined that the station is beyond life expectancy, and only serviceable for the near term. The project will provide remodeling and improvements to the interior and exterior of the station, including the dormitories, kitchen, and restroom facilities, as well as reroofing, painting, flatwork, and landscaping. The project will bring the station's accessibility into compliance with ADA. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Young Kim
Member of Congress
