The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Yorba Linda Water District's Well 2X Sec. 219 Environmental Infrastructure project in fiscal year 2026. The entity to receive funding for this project is Yorba Linda Water District, located at 1717 E. Miraloma Ave, Placentia, CA 92870-6623.

The funding would be used to construct Well 2X to enable YLWD to maximize local groundwater and minimize the use of treated imported water from the Colorado River and the State Water Project. The reduced reliance on treated imported water will provide water supply resiliency and will minimize the burden on the imported water sources that have been negatively impacted by sustained drought conditions. Well 2X will be designed and constructed with a capacity of producing 2,500 gallons per minute. The project has a Federal nexus because the funding provided is for purposes authorized by Section 219(f)(98) of the Water Resources Development Act of 1992 (PL 102-580) as amended.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Young Kim
Member of Congress
